## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1, 3-5, 8-10 and 12-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach an image projection system, comprising in combination with the additionally recited elements, a coherent light source apparatus to generate blue, green, and red light, positioned at a location and in a manner such that the generated blue, green, and red light are provided to the three micromirror display devices respectively, without passing through the dichroic cross-combiner assembly, and the three micromirror display devices in turn reflecting the blue, green, and red light through the dichroic cross-combiner assembly toward the projection lens.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
